1. THE COLLEGE OF SOCIAL SCIENCE

English Bluebook

THE COLLEGE OF SOCIAL SCIENCE AT KEIMYUNG UNIVERSITY

The College of Social Science specializes in the study of "social" and related academic disciplines through numerous departments and majors. Established in 1980, currently the College of Social Science hosts more than 130 professors and 4,200 students who research and study together across various academic fields in eight departments and three faculties (comprising seven majors), with thirteen foreign professors responsible for teaching various subjects in English.

The College of Social Science includes almost all academic fields of study within the so-called social sciences. With innovative new attempts in cooperation and convergence, the College is breaking down the boundaries of traditional scholarly disciplines. In this way, professors are promoting academic achievement and well-rounded development of students who can realize their specific dreams for the future.

The three faculties of the College of Social Science are the Faculty of Economics & Commerce (Major in Economics & Finance, Major in International Commerce, and Major in E-Trade), the Faculty of Public Service (Major in Public Administration, and Major in Politics & International Relations), and the Faculty of Communication (Major in Journalism & Visual Communication, and Major in Advertising & Public Relations). The eight departments are the Department of Consumer Information Studies, the Department of Sociology, the Department of Social Welfare, the Department of Psychology, the Department of Library & Information Science, the Department of Law, the Department of Police Law, and the Department of Police Administration.

The College of Social Science is located in the center of the Seongseo campus of Keimyung University. The campus Central Library, which is the largest in the nation, is located in a building immediately next to the College of Social Science. Students' halls with convenient facilities that students can use on a daily basis, such as bookstores, cafes, restaurants, travel agencies, and stationery stores, are also facing the College of Social Sciences, making it easy for students to enjoy university life at any time.

Educational Objectives

1. To Educate Proactive International Specialists in the Age of Globalization
2. To Educate Experts equipped with Flexibility and Universality
3. To Educate Citizens with higher Ethical Standards

Facilities

The modern College of Social Science building (Bonggyeong Hall) offers 16,503m² of floor space.

2. Introduction of Department

The Department of Police Administration continually attempts to solicit brilliant students who will help to lead the development of Keimyung University. We possess suitable educational programs and learning systems, which help to develop the talents of our students as future elites in the Criminal Justice system including: police, prosecution, courts, correctional institutions etc. In addition, we also provide students with numerous field trips and internships that help to promote leadership and field experience. The department also supplies places to study for all students preparing for various national exams. As a result, many alumni successfully get into core positions in Korean National Agencies, such as the National Police Agency, National Intelligence Service, Prosecutor's Office, Courts, correctional institutions etc.

5. Orientation for Freshmen

1) Target : 2018 Freshmen

2) Objectives

To make freshmen well adapted in new environment. It is an opportunity to acquire various information about school or academic course.

* Program

- Guide on Campus life (See blue book)
- Guide on Course timetable and registration
- Introduction of department and professors' meeting
- Guide on issuance of student ID
- Guide on entry of student data

6. Course Application

1) Application method

- Decide which subject the student will take his or her own course, log in at the enrollment application system (<http://sugang.kmu.ac.kr>) and apply the subject on a first-come first-served basis. However, as for the first year, the required courses must be taken by the Academic Affairs team, and these classes can not be corrected.
- Collective application subject : Common culture, foundation of major, required major in freshman year
- For all subjects other than those for collective application subject, one has to sign up for the class during the first and second period.
- Before starting school, check your class and class room by checking the class you signed up for
- If the class you are going to take exceeds the allowed number of students, you will not be able to enter it, so you must sign up for another class. Therefore, you must enter it at a faster time at the beginning of the class to apply for the subject you want.
- Attendance check(Check during class)

If your name is not listed in the attendance book, be sure to check the class application details because the application is not done correctly

-The maximum number of credit hours can not exceed 20 credits and 36 credits a year. The maximum number of credit hours a person can normally sign up for is 144 in 4 years, of which they must earn at least 130 and meet other graduation requirements.
